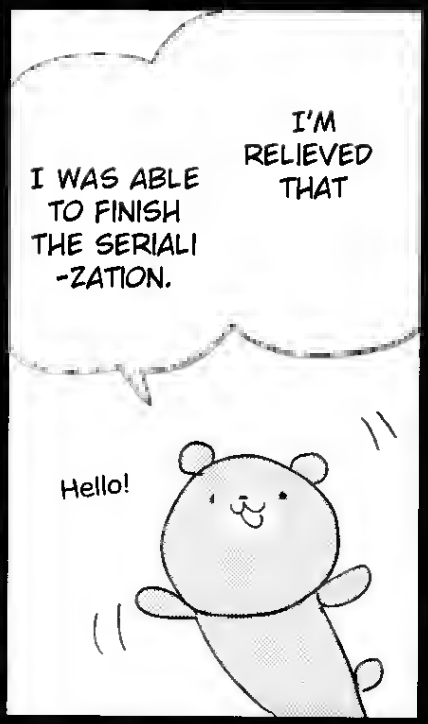
AFTERWORD

THANK YOU FOR BUYING SUGAR GIRL, SUGAR DOLL 2!



Now then, let's look at the thoughts I wrote about each chapter in Volume 2! At last!

Chapter 7

I was fired up over Number 1 and Number 2. It was fun. I'm sorry for Arashi's clothing (and umbrella) being too black ...um...non-stylish..um...and being uncoordinated.

Chapter 6

Rokkichi is pleased with this Meow~ The 1st volume's Café Pyon Moka Pyon was also fun to draw. I like mysterious animals.

Chapter 5

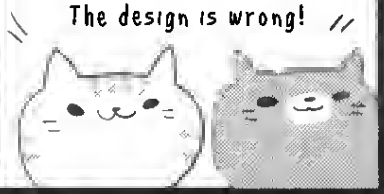
I tried doing the finishing touches on the manuscript digitally. (I always do everything traditionally.) You can paste the tones as much as you like and I was interested in being able to apply colors.

Extra Chapter

Why is Taiga popular with the author's family... Good luck....

Last Chapter

Nyankichi is pleased with this How in the world is this okay in a household?



Chapter 8

It was fun thinking about Rokka's clothing various times. Arashi always looks the same... but I like men's winter clothing. I think it's good to at least wear extra clothes.

Special Thanks!!
